Dear Sir,

Heartfelt Appreciation for the Opportunity to Supply Coatings for your Modular Refinery Project

On behalf of our company, I would like to extend our deepest gratitude for entrusting us with the opportunity to supply coatings for your esteemed Modular Refinery Project (The Built Storage Facility) in Oghara. We are truly honoured to collaborate with you on this significant endeavour and to contribute to the success of your operations.

Your decision to partner with us reflects the confidence you have placed in our expertise, products, and commitment to excellence. We understand the critical role that high-quality coatings play in ensuring the durability, safety, and longevity of storage infrastructure, and we are dedicated to delivering solutions that meet and exceed your expectations.

Our team has approached this project with the utmost diligence, ensuring that all materials supplied align with the technical specifications, timelines, and quality standards required for such a vital facility. We are confident that our coatings will provide robust protection against environmental and operational challenges, safeguarding your assets for years to come.

This partnership is not just a business transaction for us, but it is the foundation of a relationship we deeply value. We are eager to continue supporting your projects and exploring further opportunities to collaborate.

Once again, thank you for choosing us. We are committed to being a reliable, innovative, and responsive partner in your journey toward operational excellence.

Yours Sincerely,

VICTOR ADEWUMI

MD/CEO
